

Part 4

Question 15 – 20

Read and answer the questions based on the text given

A Tuk-tuk looks like a motorbike with three wheels. Many tourists take tuk-tuks in Thailand. They can be faster than taxis.	Gondolas are long boats. Tourists love this ride because it is slow. However, riding in gondola isn't comfortable.	Snowmobiles got skis and they can go very fast. Usually, people ride snowmobiles at snowy area. Tourists love snowmobiles because riding it can get very cold
---	--	---
