

I live in Bogotá, Colombia, and from December to February the weather is usually dry and **0** _____ (sun/sunny). In March and April, it often gets very **1** _____ (rain/rainy), and people always carry umbrellas. Sometimes the mornings are **2** _____ (fog/foggy), especially in the mountains. In June, the days can be quite **3** _____ (wind/windy), which makes it feel colder. At night, the temperature can be **4** _____ (chill/chilly), so a jacket is necessary. Bogotá is also often **5** _____ (cloud/cloudy), and it's rare to see the sun for many days in a row.
