Forest Walk

Mr. Tan and his friends organize forest walks for people who like outdoor activities.

Each walk takes about five hours. The three-part hike starts as early as 7.00 a.m. and ends at noon. Hikers are able to see many types of trees and plants, beautiful flowers, insects and birds during the walk. The hikers will be divided into groups. There will be five hikers and one guide in each group. The guides will make sure that the hikers are safe during their walk.

The first part starts after breakfast. The hikers walk along a river until they reach a lake. They can have a picnic by the lake, or play in the clear water. Hikers should bring along snacks and drinking water in case they get hungry and thirsty. The second part is climbing up a hill which is not too far from the lake. The hikers can see lots of birds on the trees in this area. The hikers need to be quiet or the birds may fly away.

Finally, the hikers will visit an Orang Asli village. They can try Orang Asli food or take photos of themselves wearing Orang Asli clothes. The forest walk ends with the hikers leaving the village.

- 10 Hikers may get hurt if they don't follow instructions given by
- A the guides.
 - B other hikers.
 - C their friends.
- 11 Visitors can have a meal
