

# How to ...

## talk about a product

### 2A 5.06 | Listen to someone talking about a product.

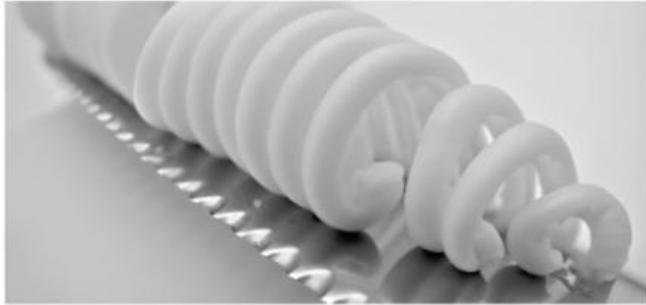

What's the product?

a a knife      b a notebook      c a wallet

### B 5.06 | Complete the talk with one word in each gap.

Then listen and check.

We all want delicious butter with jam in the mornings, but lots of <sup>1</sup> ..... find it difficult to put cold, hard butter on our bread. Well, <sup>2</sup> ..... the answer. It's the Better Butter knife. It's light and comfortable to hold. It's <sup>3</sup> ..... small holes in it, so it picks up the butter really easily and spreads it across the bread perfectly. But that's not <sup>4</sup> ..... It can also cut slices of cheese, so it's a butter knife and a cheese knife. Another good <sup>5</sup> ..... about this butter knife is its price. It's just £6.99. I really love my Better Butter knife and you're <sup>6</sup> ..... to love yours, too. It's something that every kitchen should have.

### C Choose the correct words to complete the talk.

We all <sup>1</sup>need / <sup>see</sup> to look after our things, but what about when we go to the beach for a swim in the sea? It's not always safe <sup>2</sup>enough / <sup>too</sup> to leave your wallet on the beach when you go into the water. So here's a solution if you're looking for something <sup>3</sup>different / <sup>usual</sup>! It's the Safe and Dry Wallet. It's not just a <sup>4</sup>normal / <sup>strange</sup> wallet and I'll tell you <sup>5</sup>what / <sup>why</sup>. You <sup>6</sup>can / <sup>do</sup> put it in water and everything inside – cards, cash and even photos – all stay completely dry. <sup>7</sup>Think / <sup>Speak</sup> about it. You can enjoy going to the beach without worrying about your stuff! The wallet costs just £19.99 and it <sup>8</sup>comes / <sup>goes</sup> in six different colours.
