

Guinness World Record holder. This is the Realme GT7 and it's not just a \_\_\_\_\_ piece, it's a complete gamechanger. Let me show you why. This is India's first MediaTek Diamond City 9400 \_\_\_\_\_ smartphone outperforming Snapdragon 8 Gen 3 on an 200k points. Industry's first graphene back with ice sense design which keeps the phone 24x \_\_\_\_\_. This has an insane 7,000 mAh \_\_\_\_\_ with 120 watt fast charging. Flagship camera setup with 50 megapixel Sony IMX 906, 8K video support, and AI features like \_\_\_\_\_ 2.0 and circle to search. The Aston Martin Remco F1inspired dream edition of the GT7, the 2025 flagship killer.
