### **Teamwork**

G : When people work together as a (19)\_\_\_\_\_, they can achieve a lot. You can easily get things done when you share the work.

We practice teamwork in my family. Both my parents have jobs. My father is a (20)\_\_\_\_\_. My mother is a (21)\_\_\_\_\_. Both of them work long hours all week. My brother is a student at college. I am a student in school. We all have very busy lives. So, when it comes to household chores, we all work together to get them done.

Each of us has different chores. My parents take turns to (22)\_\_\_\_\_. My father takes out the trash. My mother (23)\_\_\_\_\_ the laundry. My brother (24)\_\_\_\_\_ the dishes. I sweep the floor. We share the chores and work together. Everything gets done (25)\_\_\_\_\_.

People should practice working as a team. Teamwork works!
