Countries & Nationalities

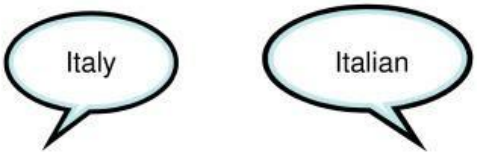

1. Write the country for each nationality.

Country	Nationality	Country	Nationality
	Australian		Egyptian
	Japanese		English
	British		Russian
	American		Polish
	Italian		Thai
	Turkish		German
	Chinese		Brazilian
	Spanish		French
	Indian		Canadian
	Vietnamese		Burmese

2. Put the nationalities into the correct column.

-n, -an, -ian	-ese	-ish	other

3. Work with a partner. Test your partner on the different countries and nationalities. If you say a country, your partner replies with the nationality of that country. If you say a nationality, your partner replies with the country.

4. Now, take it in turns to imagine you are from a different country. One student chooses a country. The other student tries to guess what country their partner is from.

Example: Student A: Are you Spanish?
Student B: No, I'm not.
Student A: Are you from Japan?
Student B: Yes, I am.
Student A: So, you are Japanese?
Student B: Yes, that's right.
