Listen the text and record it.

I always do judo on Sunday morning. I usually get up early and play chess with my brother. Judo and chess are always fun. After that, I go to the park with my friends. In the afternoon, I usually watch football, but sometimes I do my homework. In the evening, I hardly ever stay home. I usually go to the gym and do yoga with my friends at the gym. I'm often there until 10 p.m.
