- d) Jeff explains that his company is losing clients. _____

Exercise four. Complete the sentence. Write one word.

Ken is wearing very expensive _____. Shirley get out her laptop, google Gucci shoes, and look for the prices. 470 pounds – for a pair of them!

Exercise five. Multiple Choice

Q1. Why does Shirley think hackers can work easily?

- A) Because the workers take their laptops home.
- B) Because the company has no security system.
- C) Because Jeff Clayton told them his password.

Q2. What do we know about the Weasel?

- A) He is Jeff Clayton's employee.
- B) He is probably one of the designers.
- C) He is one of the best hackers in England, maybe Europe.

Exercise seven. Open Question (Critical Thinking)

If you were Shirley, would you suspect Ken, Anna, or Harry of being the hacker? Why?

You must start the sentence with:

I think...

I would suspect...

Maybe...
