The illustration depicts an underwater world with King Triton and his daughters. King Triton, an older man with a white beard and a crown, is on the left, holding a golden trident and a treasure chest. The chest is open, revealing gold coins and jewels, and is labeled "Тритона от Тритона". Several mermaid daughters with long, flowing hair and colorful tails are swimming around. Musical staves with notes and blank boxes for labels are scattered throughout the scene. The background is a vibrant blue and green underwater environment with coral and bubbles.
