WHATEVER IT TAKES - Imagine Dragons

Falling too fast to prepare for this - - -	Negative, nepotist Tripping in the world could be dangerous Everybody circling, it's vulturous

Everybody waiting for the fall of man - - -	Everybody hoping they could be the one I was born to run, I was born for this Everybody praying for the end of times

Run me like Pull me like Break me down I wanna be the Word upon your Letter that you		lip, lip rip, rip slip, slip whip, whip a ripcord and build me up a racehorse
Break me down and build me up		

Whatever it takes - I do whatever it takes - Whatever it takes - Whatever it takes 'Cause I love the adrenaline in my veins I do what it takes	'Cause I love how it feels when I break the chains Yeah, take me to the top I'm ready for 'Cause I love the adrenaline in my veins

Always had a fear of being typical - - -	Looking at my body feeling miserable I wanna be invisible Always hanging on to the visual

Looking at my years like a martyrdom - - -	I was born to run, I was born for this Everybody needs to be a part of 'em Never be enough, I'm the prodigal son

Whip, whip…

Whatever it takes…

LIVEWORKSHEETS

Hypocritical, egotistical
Don't wanna be the parenthetical, hypothetical
Working onto something that I'm proud of, out of the box
An epoxy to the world and the vision we've lost
I'm an apostrophe
I'm just a symbol to remind you that there's more to see
I'm just a product of the system, a catastrophe
And yet a masterpiece, and yet I'm half-diseased
And when I am deceased
At least I go down to the grave and die happily
Leave the body and my soul to be a part of thee
I do what it takes

Whatever it takes…
