Whip, whip...

Whatever it takes...

Hypocritical, egotistical
Don't wanna be the parenthetical, hypothetical
Working onto something that I'm proud of, out of the box
An epoxy to the world and the vision we've lost
I'm an apostrophe
I'm just a symbol to remind you that there's more to see
I'm just a product of the system, a catastrophe
And yet a masterpiece, and yet I'm half-diseased
And when I am deceased
At least I go down to the grave and die happily
Leave the body and my soul to be a part of thee
I do what it takes

Whatever it takes...
