 - a) 9 February
 - b) 11 February
3. **When's Anne's birthday?**
 - a) 6 February
 - b) 16 February
4. **When's the party?**
 - a) 20 February
 - b) 21 February

Inferential Questions

5. Why does Anne say “Happy Birthday” to Colin?

- a) Because she thinks his birthday is on February 9.
- b) Because she forgot her own birthday.
- c) Because Colin invited her to a party.

6. Why do Colin and Anne decide to have one party together?

- a) Because they want to save money.
- b) Because their birthdays are close.
- c) Because they don't like celebrating alone.

7. Why does Colin prefer Saturday for the party?

- a) Because he wants more people to come.
- b) Because it is his actual birthday.
- c) Because Sundays are too short.

8. What can we infer about Anne?

- a) She doesn't like birthday parties.
- b) She usually organizes events at home.
- c) She doesn't remember dates well.
