Listening Part 2 Exam Tips

- First, read and listen to the instructions. During the pause, read the title and the questions to find out what it is about.
- Now, read the notes carefully before listening. Look at the words just before and after each gap. Think what kind of information you need to write in each one.
- Here, you will need to listen for names, days, dates, places, phone numbers, websites and times. Read the notes carefully before listening so that you know what you should listen for.
- During the first listening, listen for any information that goes with the text and write it down.
- During the second listening, check again that your answers are correct.
- If a word is spelt out in the listening, make sure that you write it correctly on your answer sheet.
- Finally, make sure that you spell all the words correctly.
