Hello, my name is Daisy. Our house is small, but it is comfortable. There are seven rooms in my house: a living room, a kitchen, two bathrooms, a study room, and two bedrooms. We also have a small garden in front of the house. My dad is reading the newspaper in the living room and my mum is cooking dinner in the kitchen. My brother is doing his homework in the study room and my grandma is watering the flowers in the garden. My grandpa is listening to music in his bedroom, and I am in my room writing a letter to my best friend.
