All major chain stores and many other shops sell online, and a lot of people prefer ¹**going to their** website than the actual shop. The first time you use a site, you usually have to ²**create an** _____ where you give your personal details. Then you choose what you want to buy, and ³**click on each** _____. Everything you buy goes ⁴**in your** _____, usually at the top right of the page. When you are ready to pay you click on ⁵**proceed to** _____. You then have to give the ⁶_____ **address** where you want them to send your things. You can usually pay extra for ⁷_____ **delivery** – standard delivery is sometimes free. Then you choose how you want to pay, for example ⁸**with a credit or** _____ **card** or with PayPal, and ⁹**give your** _____ **details**, for example your credit card number and expiry date. Finally you confirm your payment and receive a reference number and a confirmation email. And then you wait! Many people also buy and sell things online at ¹⁰_____ **sites** like eBay.
