

1. **Jack:** I live in a small flat in the city. The kitchen and the living room are one room. I love living in the city centre.
2. **Vicky:** My home is on water. I live in a houseboat. It hasn't got a garden but I can see ducks from my bedroom! There aren't any streets or roads near my house. It's great.
3. **Daisy:** My home is in the country. I live in a tree house. My bedroom hasn't got a window, but lots of the living room is open, with views of different birds and animals.
4. **Peter:** I live in a castle. My home is very big and very old and it's got fifteen bedrooms. I love walking in the garden because there are a lot of trees.
