Nobody can ..... ya

There's ..... one song worth singin'

They may ..... and sell ya

'Cause it hangs them up to .....someone like you

But you've gotta

Make your own kind of music

Sing your own .....song

Make your own kind of music

Even if .....else sings along

You're gonna be knowin'

The loneliest ..... of lonely

It may be rough goin'

Just to do your thing's the ..... thing to do

So if you cannot .....my hand

And if you must be.....

I will.....
