

We learn from mistakes

Last week, there _____ (1 be) two hard days at work, Monday and Wednesday and by Friday my face _____ (2 say) it all. During a project review, two _____ (3 man/men) were there to support us. One of them usually _____ (4 fix) problems at work every day, while the other often _____ (5 help) the front-end team at her job.

After the long session, everyone was tired. They _____ (6 drink) water yesterday because the air conditioning had broken down. To recover, we _____ (7 buy) new office supplies and organized our desks. The next day, we _____ (8 have) lunch with my team at a small café. Finally, on the weekend, I took my family out _____ (9 preposition) dinner to celebrate finishing the project.
