

Hi Harry,

How are you? We just moved **...into...** our new house. Please come and see our new house this week if you can. Sunday's **(1)** best day.

It's quite easy to get here **(2)** train because the train station is near our street. You can also meet our puppy. **(3)**

name is Wishbone and it's really sweet. But it's much naughtier **(4)**

your pet cat.

**(5)** the weather's OK, we can go to the park near my house to fly a kite. I know you will like it.

See you,

Emma
