

Dear Sue,

How was your weekend?

Last Saturday, my family visited **my** uncle's house.

It is one of the most beautiful houses that I

(1)

ever seen! It is located

in the suburbs, but it's not that far from the city centre. On the outside, it looks **(2)**

a palace with a lovely swimming pool, a rose garden and a huge garage. Inside, it has four bedrooms, four bathrooms, a living room and a modern kitchen. I spent most of my time in the rose garden. My little sister enjoyed spending time in the living room downstairs playing with her toys. My parents and my uncle were mainly around the pool. We also **(3)** movies there.

(4) a great time! Have you ever had a movie night outside? The best thing I saw in the house was a large fish tank full of fish. The tank matches the room very well. My uncle said that having a fish tank had always **(5)** his dream. What about you? Have you ever kept pet fish?

Much love,

Susan
