

Sarasas Witaed Romklao School
Homework Semester 1 Year 2025 Grade 5

NAME : NO : CLASS:

LANGUAGE

Libby: DSD Club was great today. I've always wanted to do a first aid course.

Kate: Me too. The teacher said you were very good at it. Maybe you'll be a doctor one day.

Ed: I don't think I'll be a doctor.

I couldn't put on bandages very well!

Ed: These first aid kits are really cool. We've got plasters and slings.

Kate: Put them away, Ed. We don't need them now.

Fin: Yes, we do. Look!

Kate: Oh no! He's fallen off his bike! Are you OK?

Man: No. My leg really hurts!

Ed: It's OK. We know first aid.

Libby: The teacher told us it was important to support a patient's head. Here, we can use my jumper.

Kate: I've got my mobile phone. I'm calling an ambulance now.

Paramedic: You haven't broken any bones, but you need to go to hospital.

Man: Thanks, kids. You're my heroes! Come and visit me in hospital.

Fin: Do you know who that is? It's Jim Fisher! He's the best footballer in town!

Read again and
write the words.

1. The children have just done a first aid _____.

2. _____ was very good at first aid.

3. Kate calls an _____.

4. The man is going to _____.

course

hospital

ambulance

MATHEMATICS

DECIMAL CHALLENGE!

DIRECTION :

Read each statement carefully. Write True if the statement is correct and False if it is incorrect

- 1** 0.5 is the same as $\frac{1}{2}$.
- 2** 0.75 is greater than 0.8.
- 3** 1.25 is the same as $\frac{5}{4}$.
- 4** 0.9 is smaller than 0.89.
- 5** 0.333 is an exact representation of $\frac{1}{3}$.
- 6** 2.5 is the same as $\frac{5}{2}$.
- 7** 0.01 is ten times smaller than 0.1
- 8** $0.45 + 0.55$ equals 1.
- 9** 0.100 and 0.1 represent the same value.
- 10** The decimal 3.14 is an exact value of π (pi).

SCIENCE

CHANGING STATES OF MATTER

Which states are they in? Label the pictures.

solid / gas / liquid

.....

.....

.....

Fill in the blanks with the words in the box.

boil / freeze / heat / cool

If you water, it becomes steam.

If you water, it becomes ice.

If you steam, it becomes water.

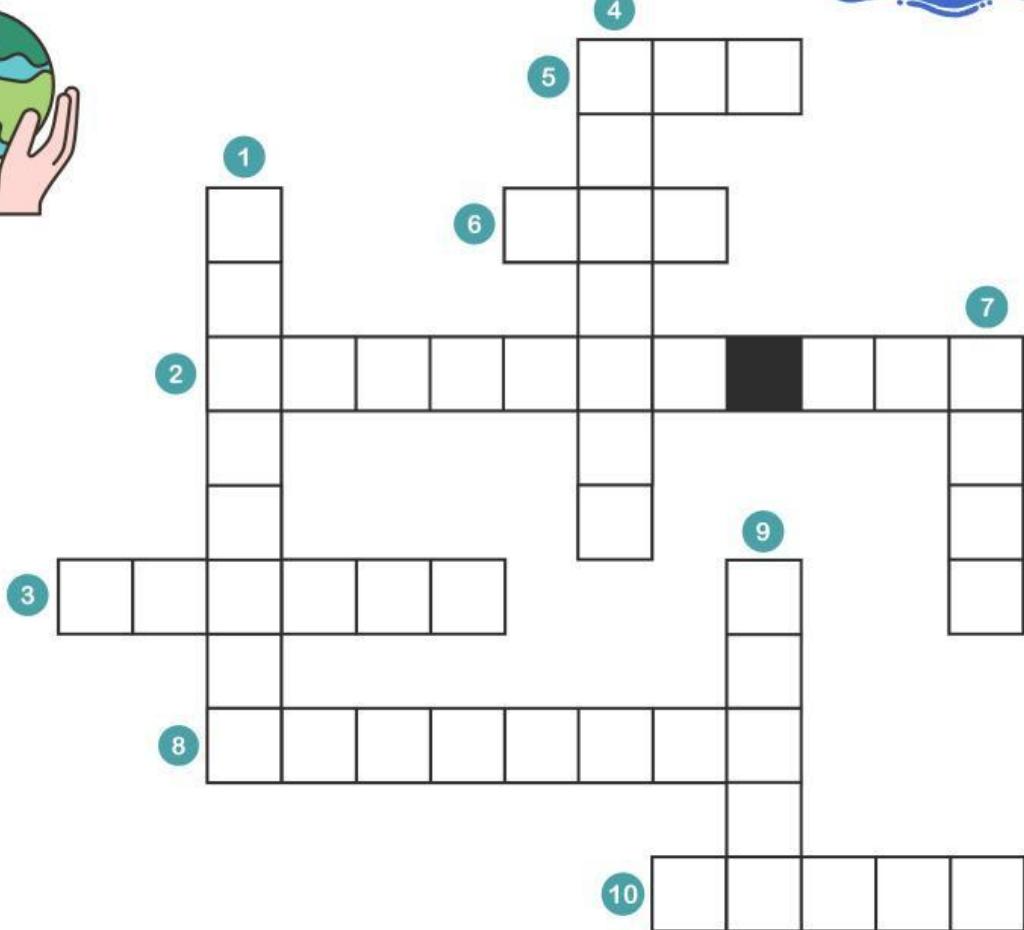

If you ice, it becomes water.

Natural resources

CROSSWORD PUZZLE

Social Studies

- 1 A natural resource used to create metals.
- 2 A fossil fuel used for heating and generating electricity.
- 3 This resource gives us fruits and vegetables
- 4 We get milk, eggs and meat from them.
