Angela:	So, did you see the robbery?
Eva:	Yes! I was waiting at the bus stop. I was going home after college.
Angela:	What happened?
Eva:	Well, a man ran out of a bank and across the street. He was shouting into a cell phone and he was carrying a sports bag full of something – maybe money. He was running down the street to a car where two men were waiting for him.
Angela:	Was he carrying a gun?
Eva:	No, he wasn't.
Angela:	Did the men drive away?
Eva:	No, they didn't. The police were hiding in a van on the street corner. They ran out and caught them!
Angela:	That's amazing!
