Exam tips

If you don't know the meaning of a word you hear in the dialogue or read in the question, try to guess its meaning from the context.

Guidance for candidates

In this part of the test at least two of the options are mentioned, but candidates must pay attention to the whole conversation to understand which option is correct.

During the first listening they should concentrate on the general gist of each dialogue to choose the correct answer. They should use the second listening to check their chosen answer.

Part 3
