**C** There were many archaeological sites where she grew up.

**25** What does Natasha say about digging in the Sahara Desert?  
**A** She finds the weather to be too challenging at times.  
**B** She is frustrated that there are so many sites to explore.  
**C** She feels jealous of friends spending their holidays relaxing.

**26** When starting a new dig, Natasha believes it's important to  
**A** find out what remains have already been uncovered there.  
**B** assemble the best team of archaeologists to take with her.  
**C** be able to quickly interpret the remains that she finds there.

**27** Natasha says she often meets people who are unaware that archaeologists need  
**A** the ability to draw well.  
**B** foreign language skills.  
**C** a good knowledge of IT.

**28** How does Natasha recommend that children can become involved in archaeology?  
**A** by volunteering to help at a local dig  
**B** by visiting a variety of ancient sites  
**C** by reading widely about the subject

**29** When asked what people should do if they find very old objects, Natasha  
**A** urges people to handle them very carefully.  
**B** expresses her anger at people who sell them.  
**C** stresses that people should show them to an expert.

**30** How does Natasha see the job of an archaeologist changing in the future?  
**A** More time will be spent protecting sites.  
**B** There will be fewer archaeological digs in cities.  
**C** Remains will be identified without the need to dig.
