1-Read the following passage . Then answer the questions below:

There are a lot of good reasons to join a gardening club. For example, if you join a gardening club, you'll spend time outdoors and get some exercise. You'll work with other people so you can make new friends. You'll discover more about the environment and how different kinds of plants and flowers grow. You might also learn how to grow delicious fruit and vegetables! The Plant a Seed Foundation wants to bring people together through gardening. It wants to help children understand how plants and vegetables are grown, and it's going to help schools that have decided to start a garden. They have lots of great ideas, for example, if you are going to throw away old things, stop and think first. Can you recycle them and use them in the garden? You can grow flowers in old boots, or even in old beds or cabinets. To grow flowers in an old boot, you'll need to make a hole in the bottom for the water to go through – but if the boot is old, there might already be a hole! Milk cartons or shoe boxes make great houses for birds if you hang them in the trees and put bird food in them. It's fun working with other people to start a garden. You don't need any special skills to enjoy gardening and you don't need much equipment – just a few simple gardening tools. You just need to enjoy plants and being outdoors.

A-Circle the correct answer.

- 1 If you join the gardening club, you might (**spend time / discover**) that you enjoy gardening.
- 2 There are lots of good (**reasons / materials**) why gardening clubs are great. For example, you make new friends and (**spend time / discover**) outdoors.
- 3 You don't need to buy a lot of (**reasons / equipment**) to start a garden. You can even use your old boots!
- 4-Don't throw away your milk (**bottles / cartons**). You can use them as bird houses.

B-Read and write T for true and F for false:

- 1-In a gardening club you'll spend time outdoors and get some exercise.
- 2- The Plant a Seed Foundation wants to bring people together through playing.
- 3- You need some special skills to enjoy gardening.
- 4- Milk cartons or shoe boxes make great houses for birds.
