---

## Analysis

Read the following argumentative text and answer the questions below.

### Sago as an Alternative Staple Food

Sago is a traditional staple food that grows well in Papua and Maluku. Amidst the challenges of food crises and climate change, sago can be a good alternative to rice.

Therefore, it is important for Indonesians to start learning about and consuming sago as a form of support for national food security.

### Questions:

- 1 What is the author's main opinion in the text above?

Answer: \_\_\_\_\_
