

No-one on earth could like this

I'm thrown and overblown with bliss

There must be an angel

Playing with my

I walk into an room

And suddenly my heart goes "boom"!

It's an of angels

And they're playing with my

Must be talking to an angel

And when Ithat I'm alone

It seems there's more of us at home

It's a multitude of angels

I must be hallucinating

Watching angels

Could this be reactivating

All my senses dislocating?

This must be a deception

By celestial intervention

Leavin' me the recollection

Of your heavenly
