Dear Mr Abbott,

I am writing to apply for the job of shop assistant at your Canterbury supermarket which I saw advertised on jobsforstudents.co.uk.

¹I am very interested in this job? I do my shopping at that supermarket, and it looks like a good place to work. I am a university student in Canterbury, and **²I look for a part-time job** which will fit in with my studies.

I believe I am a good candidate for the job because:

- I have experience of working in a supermarket in Turkey, where **³I have been serving customers and filled the shelves.**
- **⁴I am a very helpful and friendly person.**
- I learn new skills quickly.
- My English is level B1.
- **⁵I can start immediately.**

I have some questions about the role. Are the hours the same every week, or do they change each week? Is it possible to choose which days I work?

⁶I look forward to hearing from you soon!

Emre Akbas
