HI, I'M STEVE AND THIS IS MY BLOG! HERE ARE A FEW THINGS ABOUT ME!

I'm a student at Trivia Secondary School. I really like pop music and I love my music lessons at school. My music teacher, Mr Peters, is great. He showed me a cool app called Humming. It downloads music videos very fast, and then I share them with my friends. I use it on my smartphone all the time. I hang out in the music room with my best friend, Roy, almost every day after school. You see, I play the keyboard and Roy plays the drums.
I also love exercising, so at the weekend, I like going to the gym. I used to play football on Saturdays with Roy, but I don't think team sports are for me. Of course, Roy thinks they're a lot more exciting than the gym! He's also interested in different sports. In fact, he wants to take up snowboarding next month. He posts videos about it on his blog all the time.
