

Match the adverbs in bold to the verbs they describe

My First Week in Santiago

When I first arrived in Santiago, I was surprised. People walked very quickly and spoke quite politely to strangers. The subway was incredibly full in the morning! But I loved how friendly everyone was. I also noticed that people eat dinner very late—sometimes after 9:00 p.m. In my country, we usually eat around 6:30. I quickly got used to the new routine.
