

Imagine that you are doing a project on **why some Zetland teenagers are not engaged in school-based extracurricular activities**. You have found some data on the subject - the results of a survey conducted among Zetland teenagers (see the table below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:

Why are you not engaged in your school's extracurricular activities?

Choose one option

Reasons	Number of respondents (%)
Heavy school workload	30
Participation in non-school extracurricular activities	28
Scheduled at inconvenient times	20
Extracurricular fees	16
Family responsibilities	6

Write 200-250 words.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2-3 facts;
- make 1-2 comparisons where relevant and give your comments;
- outline a problem that one can face when participating in extracurricular activities at school and suggest a way of solving it;
- conclude by giving and explaining your opinion on how teenagers can benefit from school-based extracurricular activities.

Handwriting practice lines consisting of multiple sets of horizontal lines. Each set includes a solid top line, a dashed midline, and a solid bottom line, providing a guide for letter height and placement. The lines are evenly spaced and cover the majority of the page area.
