

You have received an email message from your English-speaking pen-friend Vivian:

From: Vivian@mail.uk

To: Russian_friend@ege.ru

Subject: video games

...I was a video game sceptic, but now I'm a fan. What video games do you and your friends like playing and why? Some people say they're a waste of time. Do you agree or disagree? Why do you think children and adults enjoy playing video games?

I made a lot of friendships when I went camping in the summer...

Write an email to Vivian.

In your message:

- answer her questions;
- ask **3 questions** about her friends.

Write **100–140 words**.

Remember the rules of email writing.
