Subject: modern translation technologies

*...I was over the moon when I got my first language translator earbuds last year. They've made my travels way more fun! Have you ever used translation apps or tools while talking to people who speak different languages? Do you have any favourite translation apps or websites you really like using, and why? Do you think translation tech will replace traditional language learning in the future?
...I went to a live concert last week...*

Write an email to Chloe.

In your message:

- answer her questions;
- ask **3 questions** about the concert.

Write **100–140 words**.
