

Part 1: There are five sentences that have been removed from the text below. For each question (1-5), choose the correct sentence (A-G) to complete the gap. **There are two extra sentences which you do not need to use.**

The Greek Waiter

Alexis is ten years old and lives in a small village on a beautiful Greek island. Like all children his age, Alexis has just completed Year 4 in primary school. (1) He doesn't spend the summer on the beach or playing video games. (2) In July and August, the restaurant is very popular with tourists from all over the world. Because he is the only person in his family who can speak English, it is his job to look after the tourists when they eat at the restaurant. (3)

Where did he learn his English? (4) Together with his classmates, two evenings a week, he attends English classes at a language school in the same village. There is no bus service when his classes end, so his mother picks him up and brings him home. Alexis doesn't mind, he enjoys learning English. (5) He is very pleased that he can help his family with their business and the tourists are very happy that they can order their meal in English. He's also learnt a lot about cooking and loves the food at the restaurant!

- A. He wants to be a journalist so he knows languages will be useful.
- B. He finds the other workers in the restaurant are always very kind to him.
- C. But Alexis is different from other children his age.
- D. In the busy summer months Alexis spends his days in his family's restaurant.
- E. He explains the menu to tourists and takes their orders.
- F. There is no school in Alexis's village, and during the school year he travels 12 kilometres every day by bus to nearby village to go to school.
- G. His family will not need his help in the restaurant next summer.
