

Imagine that you are doing a project on **what physical activities are popular among teenagers in Zetland**. You have found some data on the subject - the results of a survey conducted among Zetland teenagers (see the table below).

Comment on the survey data and give your opinion on the subject of the project.

The survey question:
Which of the following physical activities do you prefer?
Choose one option

Physical activity	Number of teenagers (%)
Running	38
Cycling	30
Swimming	15
Hiking	12
Team sports	5

Write 200-250 words.

Use the following plan:

- make an opening statement on the subject of the project;
 - select and report 2 - 3 facts;
 - make 1-2 comparisons where relevant and give your comments;
 - outline a problem one can face while engaging in a physical activity and suggest a way of solving it;
 - conclude by giving and explaining your opinion on the importance of engaging in physical activities for teenagers.
