

Imagine that you are doing a project on **what online purchases are popular among girls in Zetland**. You have found some data on the subject — the results of the opinion polls (see the bar chart below).

**Comment on the data in the bar chart and give your opinion on the subject of the project.**

The survey question:

Winch of the following items do you prefer to buy online?

*Choose one option*

Write **200-250** words.

Use the following plan:

- make an opening statement on the subject of the project;
- select and report 2 - 3 facts;
- make 1 - 2 comparisons where relevant and give your comments;
- outline a problem that can arise with doing the shopping online and suggest a way of solving it;
- conclude by giving and explaining your opinion on the role of online shopping in our lives.
