## A Read and choose.

- 1 She likes making installations / murals using old chairs and lights.
- 2 I made a photograph / collage of pictures of animals I cut out from a magazine.
- 3 He painted a lovely portrait / landscape of his best friend sitting under a tree.
- 4 I like the way that still life / mobile moves around in the wind.
- 5 She painted a huge collage / mural that covered the whole wall in her garden.
- 6 We made sculptures / sketches of aliens using bottles, newspapers, and clay.

/5

## B Unscramble and write.

| In the 1 background  | und (arkubgoden), we can see the  | ne sea with some boats            |
|----------------------|---|-----------------------------------|
| on it. There are sor | ne clouds and the sky is 2  | (lepa) blue. In the               |
| 3                    | (errdgfoonu), there are some children playing in the sand. The children's |                                   |
| buckets and spades   | are 4 (gribth) c  | olors—mostly red and yellow.      |
| The buckets have 5   | (tideelad) pictur   | res of birds on them. You can see |
| a 6                  | (dahwos) of the sandcastle make   | ring a shape on the sand.         |
|                      |   | 13                                |
