

MY TEAM

Hello! I'm Matt and I'm a PCT. I work in a hospital, and I'm part of a big healthcare team.

My nurse is Mrs. Lopez. She is very kind and professional. She is responsible for giving medicine and checking patients' health.

The doctor is Dr. Smith. He is very smart and busy. He examines patients and makes important decisions.

The phlebotomist is my friend James. He is the person who draws blood for tests.

Our housekeeper is Maria. She is always friendly and keeps the rooms clean.

We are a team, and we all work together to help our patients feel better. I am proud to be part of this team!
