THE GARDEN AT NIGHT

Wow! Look. What a night! The ~~house~~ sky is full of stars. How many can you see? One, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve. Yes, I can see twelve stars.

Let's fly close over the garden! Can you think see anything here? Look, there are tall pink trees with big yellow apples. There is a little snake on the rock and ... shhh, be quiet. A mouse is writing sleeping in the grass. Oh! What's that thing in the box water? Is it a big brown frog? Yes, it is! Shhh, let's go now. Don't wake them up!
