

Midterm Project – Planning

1. Use the Venn diagram to compare and contrast two different toys from then and now.
(Use tools like the internet, and speaking with your parents and grandparents, to find out more information)

A Venn diagram consisting of two large overlapping circles. The top circle is labeled with a horizontal line to its left. The bottom circle is labeled with a horizontal line to its left. The intersection of the two circles contains three horizontal lines. The non-overlapping part of the top circle contains three horizontal lines. The non-overlapping part of the bottom circle contains three horizontal lines.
