Select the correct words in *italics* to complete the conversation

A How are you getting [1]*on / off / out* with these late orders?

B I think we've dealt with most of them.

A That's great. Have you thought [2]*with / about / for* how we can avoid delays like this in the future?

B Personally, I think communication between purchasing and the warehouse is an area [3]*at / with / for* improvement.

A You might be right. I think we should have another meeting next week. Is that OK [4]*to / from / with* you?
