

## PART 2

### QUESTIONS 6–10

Listen to Liz and Michael talking about rooms in a hotel.

They are going to paint the rooms.

What colour are they going to paint each room?

For questions 6–10, write a letter A–H next to each room.

You will hear the conversation twice.

| EXAMPLE       | ANSWER                         |
|---------------|--------------------------------|
| 0 dining room | <input type="text" value="G"/> |

| ROOMS                   |                      | COLOURS        |
|-------------------------|----------------------|----------------|
| 6 television room       | <input type="text"/> | A dark blue    |
| 7 first floor bedrooms  | <input type="text"/> | B light blue   |
| 8 second floor bedrooms | <input type="text"/> | C dark green   |
| 9 office                | <input type="text"/> | D light green  |
| 10 kitchen              | <input type="text"/> | E grey         |
|                         |                      | F red          |
|                         |                      | G white        |
|                         |                      | H light yellow |
