

## THE CONTRACT

21 Pilots

I check the doors, check the windows, and pulled the \_\_\_\_\_  
I check the \_\_\_\_\_, wonderin' what he'll pull this time  
I have a feeling that necromancer's \_\_\_\_\_  
And I'm just tryin' to stay \_\_\_\_\_.

I don't sleep \_\_\_\_\_, that's crazy,  
how'd you know that?  
Keep myself up, that's \_\_\_\_\_  
how you know that  
Ooh, promises and contracts  
I used to keep  
I don't sleep \_\_\_\_\_, that's crazy,  
how'd you know that?  
Keep myself up, that's \_\_\_\_\_  
how you know that  
Ooh, my hallucination  
I used to see

Wake up and I find out, did a \_\_\_\_\_ up  
Wait, did it change up?  
Is it light out yet? \_\_\_\_\_ find out, bet  
I'ma walk around the edge of the room and the \_\_\_\_\_  
Where I \_\_\_\_\_ my face, pace around  
Better try to \_\_\_\_\_, pace around, pace around

I check the doors, check the windows, and pull the \_\_\_\_\_  
I check the \_\_\_\_\_, wonderin' what he'll pull this time  
I have a feeling that necromancer's outside  
And I'm just tryin' to stay \_\_\_\_\_.

I don't sleep much, that's crazy,  
how'd you know that?  
Keep myself up, that's maybe  
how you know that  
Ooh, promises and contracts  
I used to keep

I don't sleep \_\_\_\_\_, that's crazy,  
how'd you know that?

Keep myself up, that's \_\_\_\_\_  
how you know that

Ooh, my hallucination

I used to see

I used to see

Sleep I found

I wanna get out there

(Ooh) but I don't \_\_\_\_\_

(Ooh) I wanna get out there

(Ooh) but I don't \_\_\_\_\_

I check the \_\_\_\_\_, wonderin' what he'll pull this time

I have a feeling that necromancer's outside

And I'm just tryin' to stay \_\_\_\_\_.

I don't sleep \_\_\_\_\_,

that's crazy, how'd you know that?

I keep myself up, that's \_\_\_\_\_

how you know that

Ooh, promises and contracts

I used to keep

I don't sleep \_\_\_\_\_, that's crazy, how'd you know that?

Keep myself up, that's \_\_\_\_\_ how you know that

Ooh, my hallucination

I used to see

I used to see

I used to see

Ooh, my hallucination

I used to see

I used to see, it felt so \_\_\_\_\_

But now I plead, just take the \_\_\_\_\_

I promised you a contract

I promised you a contract
