

LISTENING

(5 marks)

You are going to hear five people speaking about the **environment**. Listen, and for each question, shade in the bubble ☐ next to the correct answer.

1. What is Samira's project about?

2. What has Mazin never done to protect the environment?

3. What will the weather be like tomorrow?

4. What was the TV programme Amani watched yesterday about?

5. What was the first story in the news today?

READING

(5 marks)

Match the five texts on the left with the texts in the box. (There is **One** extra text in the box.)

1. People shouldn't throw rubbish into rivers and seas.

2. Planting trees helps clean the air.

3. Factories release smoke into the sky.

4. Solar energy uses sunlight to produce electricity.

5. We must turn off lights when we don't need them.

A. It is dangerous for animals that live in water.

B. This causes air pollution and harms our health.

C. Many animals lose their homes because of forest fires.

D. This helps remove dirty gases and gives us fresh oxygen.

E. This helps the planet and we save energy.

F. It gives us energy without polluting water or air.
