

MOVIE REVIEW

Read the text and choose the correct word.

I recently watched Inside Out 2, the long-awaited sequel to Pixar's (1)_____ film. It continues the story (2)_____ Riley, who is now a teenager trying to deal with new emotions and challenges. The film focuses on how she manages Anxiety, a brand-new character (3)_____ arrives in her mind and causes a lot of confusion.

The animation is absolutely beautiful, and the voice acting is full of energy and humor. I especially liked (4)_____ the movie shows the way our feelings change as we grow up. It's both funny and touching, and there are several moments that made (5)_____ think about my own experiences.

Although the story is sometimes a bit predictable, it's still entertaining (6)_____ beginning to end. The soundtrack is excellent, and the (7)_____ about understanding your emotions is clear and positive.

Overall, Inside Out 2 is a clever, emotional film that children and adults (8)_____ enjoy together. I would definitely recommend it to anyone who likes smart, heartwarming animation.
