We stayed in this old apartment in Rio for a week. It was decorated in fantastic colours – the ¹ [] in the windows and the carpets were good quality and everything perfectly ² [] the building. There was a ³ [] living room with two big sofas and several comfortable ⁴ []. It had long shelves covering one wall from floor to ⁵ [], with books. The kitchen had lots of ⁶ [], although we didn't do much cooking. There was a ⁷ [] which we used to make ice for our drinks, but it was ⁸ [], with very little room to store any food. The washing machine was downstairs in the ⁹ []. The owner ¹⁰ [] all the boxes for his business down there, and they ¹¹ [] quite a lot of space, but it wasn't a problem. Our bedroom was in the ¹² [], but it was big and even had a ¹³ [] wardrobe with lots of space for clothes. It was very warm and ¹⁴ [] at night, and we had great views of Sugarloaf Mountain. It got really hot during the day, so we definitely needed to use the ¹⁵ [].
