Hello, I'm Elizabeth! I love fashion and cool clothes! I read different fashion magazines and go to fashion shows at the weekend.
My hobby is sewing. I don't want to be a fashion designer because it's very hard work but I like creating new clothes. I think that our clothes should be beautiful and comfortable. I usually wear jeans and shirts at work. I love wearing high heels because they always look great. I also like wearing hoodies, skirts, dresses and tights of different colours. Today I'm wearing a white dress, orange tights and high heels because it's my birthday!
