

# "SHOPPING FOR CLOTHES" SONG ACTIVITY

*Listen and choose the correct words.*

I was shopping for a **suit** / **tie** the other day  
And walked into the **clothing** / **department**  
store  
I stepped on the **elevator** / **staircase** and told  
the girl "Dry goods floor"

When I got off I saw a salesman was coming to  
me  
He said "Now, what can I do for you"  
I said "Well go in there and show me all the  
sport's **clothes** / **shoes**  
Like you're supposed to"

He said, "Well, sure, come on in buddy  
Dig these **materials** / **fabrics** we got laid out  
on the shelf"  
He said "Pick yourself out one  
**Try** / **Put** it on, stand in the mirror and dig  
yourself"

Ohhhhhh...That suit's pure herringbone  
Ohhhhhh...Yeah, that's a suit I'd like to own  
Ohhhhhh...Buddy, that suit is you  
Ohhhhhh...Yeah, I believe it too

I see for the business man you feature the  
natural shoulder  
That retail, wholesale indeed  
It's got the custom cuffs and the walking short  
He said "And I'm gonna let you have at a  
**discount** / **steal**"

And for the playboy you have the latest in  
tweed  
With the cut-away flap over twice  
It's a box-back, two **button** / **zipper** western  
model  
He said, "Now ain't that nice"

Ohhhhhh...Them buttons are solid **silver** / **gold**  
Ohhhhhh...You made a deal, sold  
Ohhhhhh...That collar's pure camel hair  
Ohhhhhh...Well, you can just set it down right  
in that chair

(Sax interlude)

Now you go back there and you get that **paper**  
/ **receipt** and let me sign on the dotted line  
And I'll make sure I get all my payments in  
right on time  
Hey wait a minute buddy, let me go back there  
and do a little checking on you  
Then the man come back, he said "I'm sorry my  
man but your **payment** / **credit** didn't go  
through"  
Why, what you mean

Ohhhhhh...Ain't this a **pity** / **shame**  
Ohhhhhh...My heart's in pain  
Ohhhhhh...Pure, pure herringbone  
Ohhhhhh...That's a suit you'll never own  
Oh, Lord have mercy  
I got a good job ...
