Zero Conditional – Cause and effect

Read each “if” clause, then glue the picture and the effect that best match it.

Cause	Picture	Effect	Picture
If people cut down too many trees,			
If we throw trash on the ground,			
If factories pollute rivers,			
If it doesn't rain for a long time,			
If you recycle paper,			

the forest disappears.	we save paper and trees.	the planet becomes dirty.	there is a drought.	the water becomes dirty.
